**Subject:** Potential meeting place?

Last year, Maribel had offered the New Jersey Historical Society as a place to meet for the old PDT meetings we used to have. I don't know what the space looks like, but Maribel attends our CAG meetings, so should know what kind of space we are used to using - do you want to contact her, or should I ?

Also, I will check with Walter Mugdan and other EPA folks on their availability for 9/18, just as a back-up.

**Subject:** September meeting

Hello Alice,

I will be attending the September 7th meeting. If you are still looking for a location, you are welcome to meet here at The New Jersey Historical Society. Let me know how many people would attend.

From your website:

The next Passaic River-Newark Bay Project Delivery Team (PDT) meeting will be on September 7, 2011 at 1-3pm, location to be determined.

Thanks,  
Maribel
